**RENEWED REQUEST FOR  
CERTIFICATE OF CORRECTION  
PURSUANT TO 37 CFR 1.322**

Attention: Certificate of Correction Branch  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

The Patent Owner hereby renews its Request for Certificate of Correction, previously filed on May 20, 2005. Please correct the above-identified patent as indicated by the accompanying Form PTO/SB/44.

A new Power of Attorney is enclosed herewith.

As clearly disclosed by the file history, some of the mistakes found in the printed version of U.S. Patent No. 6,432,630 B1 ('630) were incurred through the fault of the Office. For instance, the Assignee's name and address were correctly listed on the following attached forms: the Assignment Recordation Form; the Assignment document; and Form PTOL-85 (Issue Fee Transmittal). Nonetheless, the printed version of the '630 patent contains errors in both the Assignee's name and address.

However, in order to expedite the process and for the sake of convenience, we corrected all identified mistakes, including both the Office's mistakes and Applicant's mistakes, under a certificate of correction for Applicant's mistake. The Patent Owner respectfully requests that the Certificate of Correction be issued.

The undersigned attorney can be reached at the address shown below. All telephone calls should be directed to the undersigned at 617-832-1705.

Please apply fees or credits due in this case to Deposit Account No. 06-1448, referencing Docket No.: ISA-023.01.

Dated: June 27, 2008

Respectfully submitted,
